Declaration Regarding Proofreading

I hereby declare that this dissertation/thesis adheres to the **formatting** requirements outlined in Section 3 of the preparation guide (*Information for Preparation of Research Proposals, Masters Dissertations and PhD Theses*), and in the dissertation/thesis template. I understand that I will not be allowed to submit my dissertation/thesis for external examination if it does not comply with all formatting requirements.

I also understand that I am entirely responsible for the **language and style** editing of the dissertation/thesis (and that ultimately language editing may be assessed along with the technical content of my dissertation/thesis when a final mark is determined by the examination panel). I am aware that the Postgraduate Committee, while not checking my document for language errors, may comment on issues noted incidentally, and may decline to approve my document for external examination based on such issues.

I understand that the purpose of the feedback from the internal evaluation process is to indicate whether the above requirements are met or not, and that the Postgraduate Committee itself does not provide a proofreading service. I am aware that I may be requested to have my dissertation/thesis proofread professionally if deemed necessary by the Postgraduate Committee.

I certify that the following aspects of my dissertation/thesis have been proofread by the indicated parties (please tick appropriate box):

(a) **English language and style**

- myself (compulsory)
- a professional proofreader (please specify and upload confirmation letter from
