

Changes from v3 to v4

Front page

Title updated to sentence case:

Old: Detector-Independent Multi-Person Pose Grouping with Skeleton-Aware Graph Attention Embeddings

New: Detector-independent multi-person pose grouping with skeleton-aware graph attention embeddings

Date update

Old: September

New: October

Table captions (now above the table throughout):

Table 3.1: caption moved above the table

Table 4.1: caption moved above the table

Table 4.2: caption moved above the table

Table 4.3: caption moved above the table

Table 4.4: caption moved above the table

Table 4.5: caption moved above the table

Table 4.6: caption moved above the table

Table 4.7: caption moved above the table

Table 4.8: caption moved above the table

Table 4.9: caption moved above the table

Table 4.10: caption moved above the table

Table 4.11: caption moved above the table

Table 4.12: caption moved above the table

Table 4.13: caption moved above the table

Table 5.1: caption moved above the table, repeated as “(continued)” on later pages

Table A.1: caption moved above the table

Table A.2: caption was already above the table

Font sizes in tables (now 11 pt throughout):

Table 3.1: font increased to 11 pt

Table 4.1: font increased to 11 pt

Table 4.2: font increased to 11 pt

Table 4.4: font increased to 11 pt

Table 4.5: font increased to 11 pt

Table 4.6: font increased to 11 pt

Table 4.9: font increased to 11 pt

Table 4.10: font increased to 11 pt

Table 4.11: font increased to 11 pt

Table 4.12: font increased to 11 pt

Table 4.13: font increased to 11 pt

Table A.1: font increased to 11 pt

Table A.2: font increased to 11 pt

Tables 4.3, 4.7, 4.8 and 5.1 were already 11 pt

Table layout adjusted to fit the page width at 11 pt:

Table 4.1: column heading shortened

Table 4.2: column heading shortened

Table 4.3: first text column narrowed

Table 4.4: column headings shortened

Table 4.9: column heading shortened

Table 4.10: column heading shortened

Table 4.11: column headings regrouped

Table 4.13: column heading shortened

Table A.2: column spacing reduced

Font sizes in figures (all text now at least 8 pt at printed size):

Figure 3.1: label and legend font increased

Figure 3.2: panel title font increased

Figure 4.1: axis and tick font increased

Figure 4.2: legend, axis and tick font increased

Figure 5.3: point label font increased

All other figures were checked and already meet the minimum
